Retel. Purchased one thousand shares yesterday at average price around ninety six fifty. Stop. According my list this should be distributed as follows: Hise one hundred, Wall one hundred, Sellon one hundred, Darling twenty-five, Whisler ten, Miss Colgin fifty. Suggest you and Curry divide remaining six hundred fifteen shares as you think best. Stop. Please drop me note giving final distribution so I may make my records accordingly. Hamlin may decide sell you out tomorrow.

Dear Howard:-

I have received your wire and statement, advising that you have purchased for my account 100 shares of American Zinc Preferred at a cost of \$8070.00, and acknowledging receipt of payment of \$1000.00 on this account. Under the circumstances I feel lucky to be in on this stock at 80, and I note 'with interest' that it recently touched 91. While, naturally, it would mean a lot to me at this time to have my little investment 'worked as hard' and as long as in your judgment it will bring results, please remember the matter is entirely in your hands, and don't forget that no matter what the final outcome is I will be perfectly satisfied and indebted to you for your taking more or less chances with me in the matter.

Maybe it would interest you to know that Mr. Barton has bought some of this stock since you were here through Hayden Stone & Co. I believe he is in at 80 also.

With kindest personal regards, I remain

Sincerely,

WEW

Howard
